

# MARC PASSENGER CODE OF CONDUCT

- For your safety, passengers must be on the proper platform prior to the train's arrival. Passengers who cross in front of, or behind the train while it is at the station will be denied boarding.
- The conductor is in charge of the train. Follow his or her instructions while riding any MARC train. Please inform the conductor of any service problems you may experience or if you need assistance prior to arriving at your destination.
- Passengers must have tickets out for inspection or collection by any authorized MARC representative. Tickets may be inspected more than once during a trip.
- Improper fare, improper conduct, intoxication, or offensive actions will not be tolerated. Passengers displaying any of these behaviors will not be transported, and will be asked to leave the train.
- Please listen to announcements as they are made for your safety and convenience. Not all doors open at every station. Listen for announcements regarding which doors will open.
- Please do not stand in the aisles when seats are available. Standing is never permitted on stairs or in vestibules. Conductors will direct standing passengers to seats when available.
- No seats are reserved on MARC trains. Please do not inconvenience others by blocking or holding seats with personal items. Please do not place your feet on the seats.
- On most trains, Car 1 (the first car behind the locomotive) is the Quiet Commute Car. This car is intended to have a library-like atmosphere, with no electronic devices or loud conversations. The Quiet Commute Car is to be self-regulated by passengers, not enforced by the conductor.
